HARRIGAN MAKES A RECORD

RUNS FIVE-EIGHTHS OF A MILE IN 58% IN WINNING AT JUAREZ.

Polls Runs a Mile in 1:38 with Impost of 119 Pounds -Texas-Breds Carrying Off Honors in the Two-Year-Old Contests.

El Paso, Tex., January 5.—A brilliant card, having for its features the Santa Clara Stakes for two-year-olds, a handicap at a mile and an allowance race at five furlongs, which attracted some good sprinters, drew a fine attendance to Terrazas Park today. Harrigan, from the stable of H. R. Brandt, making weight concessions to everything in the race, reduced the track record by one second in winning the five-eighths race when he ran the distance in 18½. He was never extended and probably would have made a new American record had he been pushed. The stake race brought another victory for the Texas-breds, all the placed horses having been raised in this state.

Polls, winner of the mile handicap, showed a remarkable performance in winning in the fast time of 1:38. He was conceding weight to his opposition and he scored handily enough.

Scarlet Pimpernel stumbled in the first race, throwing his rider, Van Benschoten, but beyond a few bruises the boy was not seriously hurt.

Loween, winner of the opening race, is the first horse trained by Henry McDaniel for George Bennett in six years, and as he was once trainer for Mr. Bennett he was particularly anxious to win the race today.

Bayid Young, a well-known horseman, arrived

Bennett he was particularly anxious to will declared to day.

Bavid Young, a well-known horseman, arrived from Los Angeles to spend the season.

Jockey McGee was compelled to cancel his engagements this afternoon. He is threatened with an attack of pneumonia.

Five favorites won, and it was a disastrous day for the layers, as all of them were well backed.

Join Louis, winner of the last race, was bid up to \$1,000 by W. S. Trevey, trainer for J. W. Fuller, but was retained by Owner Buck.

OAKLAND INVESTIGATION HARMLESS.

San Francisco, Cal., January 5.—Favorites fared well at Oakland today and the layers were hard hit. Following the running of the second race jockeys G. Archibald and E. Martin engaged in an alter-callon in the paddock and the stewards will consider the matter tomorrow. Archibald, riding Pete, was making his run on the stretch turn when his mount was bumped and knocked to his kness. The rider held Martin, on Aunt Polly, responsible and struck him on the way to the jockey room. They were separated before any damage was done.

Amon showed to be a high-class colt by cantering home winner of the two-year-old race.

Feather Duster and Crex fought it out in the last race, the first named winning by a head.

T. Lynn bid up Faneuii Hall from \$400 to \$600, but he was retained. The following horses have been sold: Lorenzo to D. McCarthy; Sinceridad to J. Kelly; John E. McMillan to M. Thornton, and Bay Rose to H. Booker.

District Attorney Donahue of Alameda County has amounced that yesterday's investigation by the trand jury into the operation of the oral betting system at Oakland track did not disclose any eyidence warranting indictments for infractions of the Walker-Otis law. By agreement, however, the practice by which some stakeholders for the layers and bettors have appeared at the track wearing long raincoats of the usual pattern, which have bocketless slips through which to insert the hands will be discontinued. It is alleged that with a pad note hand and a pencil in the other, the stake-olders went about, estensibly taking mental note of the oral bets that were laid, but in reality recording them secretly on the pad they carried under their dutoned raincoats. On behalf of the New California Jockey Club assurance that this will not be tolerated was given to the grand jury by Secretary Treat and in behalf of the oral layers, sixteen of whom appeared before the inquisitorial board in compliance with subpoenas served upon them.

THE MILTHEL EXPERIMENT AT JUAREZ.

El Paso, Tex., January 5.—Interest in the parimutuel devices at the Jockey Club Juarez track has increased in the last week or so. The management to provide greater convenience for the public, moved the three machines from the grandstand to the entrance of the betting ring. They are now conveniently placed, and many who prefer book betting occasionally tarry and invest a few dollars on their choices. In races won by odds-on favorites the machines outpay the books, but the volume of business done in the mechanical devices is not sufficient to make the same rule apply in the case of long shots, as their patrons are of the class who take chances on any horse.

At present the three machines at Juarez are oper ated at a loss to the management, but all this was figured out by Manager Winn before he installed the devices, His idea is to acquaint the racing public of this section with the system of betting which has gained such popularity on the Kentucky tracks in the last few years, and in future operate the devices in conjunction with the books, the latter filling in the void occupied by the auction pools on the courses governed by the Kentucky State Racing Commission. So far no complaint has come from the bookmakers on account of the devices being installed here. They seem to figure it helps to make new converts and adds to the business done by the ring.

There is no scarcity of money in the Juarez betting ring, nor has there been at any time during the present meeting. The books can handle all they want if they lay the odds, and in every race there is plenty of money for at least two or three horses, and the race is well backed.

COLD KEEPS TAMPA ATTENDANCE DOWN.

Tampa, Fla., January 5.—Cold weather and an ordinary card contributed to hold down the attendance to small numbers today. Diversified backing for nearly all the starters enabled the books to quit winner, despite the success of most of the choices. Carthage, after a long retirement, made his reappearance under colors and to the general surprise, was installed favorite. He ran poorly and was never a serious factor. There was much support for The Moat in the second race.

S. F. Hyman's horses, consisting of German Silver, winner of last year's Juarez Derby, Jolly, Eschau, Louise Welles and General MacGregor, arrived today in charge of trainer Steve Lawler. Jockey Clement came with the stable.

Escutcheon died today as a result of a cold contracted while making the trip here by steamer from Pensacola.

Passacota. Jockey Young was suspended for three days by starter for impudence while at the post. Jockey S. Morrison contemplates a return to the addle and will apply for a license.

ANOTHER CHINN JUVENILE SCORES.

Rose of Jeddah Runs Up to Promise of Previous Race and Wins at Moncrief Park.

Race and Wins at Moncrief Park.

Jacksonville. Fla., January 5.—There was but little improvement in the track conditions at Moncrief Park this afternoon. The going was still deep and heavy, especially in the center of the track. The choice spots were close to the inner and outer rails and there was a scramble for the best footing in the races. Aside from the opening race small fields ruled the card, which was one of the lightest of the season. A race for two-year-olds was the attraction, with a band of sixteen young-sters engaged. Only three of the number had started before and two of them were placed at the finish. George P. Chinn, the Kentucky mine owner, whose Colonel Cook won the previous two-year-old race, furnished the winner again today in his speedy little fill it was a very fast race, considering track conditions, and Rose of Jeddah is more than likely a filly of some class. In her race today she broke from the inside, but rushed over to the outside in the first sixteenth and, wearing down Silas Grump in the first furlong, shook off the latter in the last eighth to win going away. Silas Grump was the clocker's tip for the race and was backed from 15 to 1 to 6 to 1, Goldmine, which finished third in her previous effort, again occupied that position at the finish of today's race. She was a bit slow to get going but gained steadily and outlasted Naughty Rose in the final dice. P. Chinn, F. J. Pons, R. D. Williams, William Shields and Mrs. H. H. Selby were each represented by two starters in the race. The Williams pair were great big youngsters, but not as finely finished as some of the others. Both of the Pons fillies were good lookers, as were also the Shields pair. Most of them ran greenly and some will undoubtedly show improvement.

Three favorites and two second choices won. Musgrave and Goose each piloted two winners.

Jack Phillips has arranged to take a couple of R. D. Williams' two provides and done of the others. Both of the Pons fillies were good lookers, as were also the Shields pair. Most of t

MAJOR DAINGERFIELD'S PREDICTION.

Lexington, Ky., January 5.—The feature of a meeting of breeders of horses of all types in Kentucky here today was the address of Maj. Foxhall A. Baingerfield on "The Thoroughbred Horse." He handled his subject masterfully and in conclusion predicted that the day is near when legislation born of prejudice and ignorance will vanish and the thoroughbred will again come into his own.
